

AACC ROYAL SUMMIT AWARDS

Honoring Global Excellence

**UK Parliament, London
13th October 2016**

In Association with

The Asian Arab Chamber of Commerce (AACC) Royal Summit Awards* is an idea that promises to redefine the very concept of awards. To begin with, the Royal Summit Awards recognize and honor excellence and outstanding contribution on a global platform. The award winners represent the best of the best in each of the chosen fields from some of the world's most active and important geographies, from a trade and investment perspective.

This recognition expands, at one go, the circle of influence; from being an achiever at a national level, to becoming an international award winner. An awareness that unlocks opens new avenues, throws up new opportunities for growth at a multi country level. The award presents a new beginning, a new chapter in their success story.

Such an award deserves a regal setting, and it doesn't get any more royal than the U K Parliament Building, the Palace of Westminster. Besides being known as the 'heart of British politics' it retains its status as the royal residence. - This illustrious venue has played host to 15 summits of British South India Council of Commerce over the last few years

**These Awards will be presented during the UK Karnataka Business Meet*

The Asian Arab Chamber of Commerce (AACC) Royal Summit Awards will be presented by some of most influential dignitaries in Britain today. Mr. Virendra Sharma Member of Parliament and Chair - Indo British All Party Parliamentary Group is one of the presenters.

Some of the luminaries who have presented awards at previous British South India Council of Commerce summits at UK Parliament include:

- Lord Swaraj Paul
- Lord Karan Bilimoria,
- Mr. Gareth Roberts, Foreign and Commonwealth Office, Government of UK
- The Right Honourable Stephen Timms MP- Shadow Minister of State for Employment, Ex-Financial Secretary to the Treasury & Chief Secretary to the Treasury, Government of UK

Crown Prince of Bahrain with AACC Board members

Shaik Mohammed, PM of UAE with the Chairman of AACC

PM Narendra Modi with Mr Darbari, VP, AACC

Making the right move

The benefits of winning the AACC Royal Summit Awards are multifold, beyond the obvious winning of a prestigious recognition and can provide a platform for even more advantages:

- Be seen, interact and share thoughts with the leaders of industry.
- Leverage the opportunity to expand network globally; leverage the reach of all the participating organisations.
- Place the business on a fast track in international markets.
- Enhance business and personal reputation.

The award ceremony will be supported by intensive media coverage. This in turn provides the winner to leverage the immense PR value of the award. The winner can use the award in developing business collateral, in digital and social media to further reach out. The Summit awards magazine will carry the business profile along with photographs and will help in networking.
